## From Dave's Desk

Please note that I am usually to be found in my Study at the church on Tuesday through Friday mornings between 9:00 and noon, and you are always welcome to stop by. I'm often at the church at other times too, but if you're hoping to find me there, it would probably be best for you to call first to see if I'm available. At any time, I hope you will feel free to call or email to set up a visit with me. I'm happy to arrange a time to meet you in my Study, in your home, in a coffee shop, or anywhere you feel comfortable getting together.

I am taking Mondays as my day off, and will not normally be available those days, except in the case of crises. A call to either my Study or my home will allow you to leave me a message, even if I'm not there. Please be assured that I check my messages frequently, and I'll be certain to get back to you as soon as I can.

I'm listing my contact information below, and I do hope you'll use it to be in touch. Thank you!

Sincerely,

**Dave**
